**This Centennial Annual Report of the City of
Rutland is Dedicated to**

Aldo Manfredi

Who for the last 23 years has served as Civil Defense/Emergency Management Director and has prepared us for emergencies, kept a watchful eye for the safety of our school children and has always been ready and able to assist those in need.

MAYOR'S MESSAGE

Jeff Wennberg, Mayor

To The Honorable Board of
Aldermen and Citizens of Rutland:

This is the 100th Annual Report of the City of Rutland. Our Centennial Committee, ably chaired by Amber Quinn, has sponsored numerous community celebrations, events and activities to mark the occasion, and their report is presented later in this booklet.

It is always appropriate to reflect on the past on such an occasion, however, there are others more expert in Rutland's history than I. I choose instead to write about my favorite subject, Rutland's future.

The Office of Mayor gives a citizen a unique perspective on his community. I have had the opportunity to see thousands of our townsfolk—a handful at a time—building a brighter future for us all. They serve, for the most part, without recognition. They contribute in small, often times personal ways. You will find them in City Hall, in our schools, in our places of worship and on all manner of boards, commissions and committees.

Some volunteer to organize sidewalk sales, several read to kids at Forest Park, many fund raise for the United Way, some help out at the Open Door Mission or spend their Thanksgiving serving free meals at the Moose Club.

Individually, they help a little. Collectively, they work miracles.

We Americans are proud of our heritage of individualism; of our belief that every individual has something to offer and that one person can make a difference. We celebrate it in our culture, honor it in our public ceremonies and preserve it in our law.

But there is another aspect of the American character which, though less celebrated, is equally admirable and found in abundance in Rutland. Our sense of community.

I fear that our nation is losing this quality, at least in the sense of being a part of where we are. In Rutland, however, the principle of volunteerism and the sense of community are as much a part of who we are as the hills which cradle this beautiful valley.

Like it or not, the future of any person or place is rooted in its past. I have spent the last six years fighting for a better future for this community. Many of us have fought for better roads, more jobs, decent housing, new tax base, safer streets, better schools and lower taxes. We have won most of these fights and pledge to persevere with the remainder.

But ultimately, the future of a community is determined less by the condition of her roads than by the commitment of her citizens. If this is the true barometer of Rutland's second century, then I am pleased to report that our future is very bright.

Rutland City Centennial Commission

The Rutland City Centennial Committee has had a most successful first half of our Centennial year. The Committee is comprised of a small, devoted group of concerned citizens who believe quite strongly in the community values of Rutland. The Committee had five distinct goals in planning our centennial events:

1. Plan various events that would be a celebration of our city's heritage, cultural diversity and strong sense of community spirit.
2. Plan events that would be appealing and accessible to all aspect of the Rutland City Community.
3. Plan as many event as possible given our limited budget and resources. Encourage other existing groups and organizations to utilize a Centennial theme to their scheduled events
4. Keep within our limited budget by means of creative fundraising and sponsorships.
5. Most importantly, HAVE FUN!

The Committee has been successful in meeting the above listed goals by planning a wide variety of activities. A detailed list and overview of City Centennial Events follows:

FIRST NIGHT 1992

The Committee worked very closely with the First Night organization to kick off the Centennial year in a very special way. Swards Dairy donated an extremely large ice cream Birthday Cake for the closing ceremony. The cake top was a colorful patchwork design. The different squares were individual designs by Rutland City elementary school children. The children were asked to draw symbols that reflected their view of Rutland. Thirty symbols were chosen for the cake top. All artwork was then displayed in downtown windows, adding a festive touch to the holiday displays.

Mr. Harmonica and his harmonica band was on hand to play a special song written for this occasion, The Rutland Birthday Blues. At Midnight, the crowd of 5,000 were led in a boisterous rendition of Happy Birthday. This celebration officially started our Centennial year.

VFW LOYALTY DAY PARADE

This scheduled event by an existing group utilized a Centennial theme. More than 2,000 people were on hand to wave flags and watch this spectacular parade on May 3. This parade has long been a Rutland tradition.

CITY CENTENNIAL LOGO

A logo was developed to provide a cohesive image to the scheduled events and projects. Betsey Child from Lasting Impressions Graphic Arts was the low bidder for this project. It was decided to use an oval logo with an old fashioned Victorian bicycle to symbolize the journey from the past to the future. We also worked with the Downtown Partnership to incorporate their Pinwheel symbol into the spokes of the bike. The bicycle is flanked by ovals displaying the years 1892 and 1992.

RUTLAND HISTORICAL SEMINAR

During May, it was our pleasure to work with Mary Cassarino in bringing a seminar on the history of Rutland to fifth graders at the Northwest Elementary School. Areas of topics covered included the settlement process of the Rutland area, early settlers, development of the marble and railroad industries and the political restructuring of Rutland City, Town, West Rutland and Proctor. The students were also asked for their suggestions and ideas for additional Centennial celebrations.

RUTLAND ETHNIC FESTIVAL

The third Saturday in June saw the transformation of the downtown parking garage into a cultural melting pot. The City Centennial Committee was extremely proud to be a sponsor and founding board members of this successful event. Over 5,000 people arrived to sample various ethnic foods, music and crafts. Nan Mattson, past co-chairwoman of the Centennial Committee was instrumental in pulling this event together with the help and endless support of the Cultural Alliance, Downtown Partnership, City Centennial Committee and the Farmer's Market.

The response from the community was overwhelming and plans are underway to host the Second Annual Rutland Ethnic Festival.

4TH OF JULY GALA & ALL AMERICAN FAMILY PICNIC

Threatening rain did not dampen the crowd of 3,500 + who showed up for the old fashion family picnic and fireworks held at the Stafford Technical Center on Saturday, July 4.

The festivities began at 5:00 pm with family games of sack races, three-legged races, pie-eating contests and wheelbarrow races. The

participation by both children and adults was overwhelming. We had to run multiple sack races due to the popularity of the event. Rumor has it that the Mayor and a few Aldermen were seen in the sack races.

Delicious food was available from a number of not for profit groups (Kiwianinis, Green Wave Cafe, First Night Rutland and the Raider Rooters). People were encouraged to bring their own picnics as well. The spectacular fireworks were provided by Norstar.

This event was made possible in part by a generous donation by Rutland Town. Efforts were made to co-host this years fireworks event, but time and numerous details prevented this from happening this year. We hope that by working together the city and town will be able to have one fireworks event that will benefit everyone.

SIDEWALK SALE DAYS

The Committee sold Centennial Mugs, Fireman Ornaments and Hats to help raise money for our various events and to raise awareness of the activities planned by the Committee.

VERMONT STATE FAIR

The Committee was proud to sponsor a winners circle blanket and ribbon for the winner in the seventh race on Thursday's Centennial Day. The Committee personally judged and awarded special blue Centennial ribbons in many categories to entrants who displayed an old fashion Rutland quality in their work.

This concludes the list of past Centennial events for this year. We still have an ambitious schedule of events upcoming. These activities include:

- * A Harvest Costumed Dance
- * Charter Day Celebration
- * RailRoad Event for Kids
- * Centennial Treasure Hunt
- * Art Contest
- * First Night Participation

We would like to take this opportunity to thank the Mayor's Office, the Board of Alderman and the Rutland Community for being so supportive of the Centennial Committee's efforts.

Report of the President of the Board of Aldermen

Nicholas A. Barone, President

To the Citizens of the City of Rutland:

The past year has been one that has been filled with promise for the City of Rutland. It has been an honor for me to serve as Board President. The members of the Board have worked diligently on behalf of the citizens of Rutland. A great big thank you to all department heads, the Administration, legal staff and to the dedicated employees of the City. This all spells TEAM Work. That is the key to all development in the City.

Special thanks to City Clerk, Rosemary F. Finley, for her guidance and patience and dedication.

Also to Ronald Graves, Treasurer, for the expert guidance and financial assistance, especially at budget time.

To the Rutland City Planning Commission, Regional Planning Commission, Zoning Board and the Redevelopment Authority, a heartfelt thanks.

In the very near future, ground will be broken for a new 58,000 square foot P&C supermarket, which is expected to create 90 to 100 jobs. This certainly is a most welcomed boost to the City's economy.

As Chairman of the Board of Directors of the Marble Valley Regional Transit District, I am proud to announce that Larry Drier, our administrator, his assistant, Minga Dana, Board Members John Lesperance and Mary

Keirstead, seek to develop a multi-modal transit center on land in the Willow-Edson Street area. This project will also include a parking facility for up to 600 cars. When completed the parking deck will provide a passage way for pedestrian travel to Merchants Row, Center Street and the plaza. Estimated cost is about \$8,000,000.00. Another great boost to the City's economy.

When completed the Marble Valley Regional Transit District will turn the entire transit and parking facility over to the City for One Dollar per year in perpetuity.

In summary, the construction of the Transit Center, along with the Hulet Building project, which fits hand in glove, will help generate approximately \$40,000,000.00 in the downtown development. In certain situations it does pay to wear two hats, and I am proud to be in a position to improve our City.

RUTLAND CITY BOARD OF ALDERMEN

Total Appropriations	\$16,650,017.67
Estimated Revenues	\$ 791,598.53
FY-92 Surplus	\$ 422,941.46
Net Amount to be Raised	\$15,435,477.68
Grand List 1992-93 (Estimated)	\$ 6,817,840.88

Report of the City Treasurer

R.J. Graves, City Treasurer

To the Honorable Board of Aldermen
and Citizens of the City of Rutland:

The Treasurer's office again has completed another year in fulfilling its duties and responsibilities to the Tax Payers of the City of Rutland. Myself and staff are pleased to submit to you the annual report for the year ending June 30, 1992.

It is without question that our responsibilities are great. We in the Treasurer's office welcome our duties and hope that we have performed them diligently and foremost to the best of our ability for the Tax Payers of the City.

Our duties are widespread in nature from preparing and collecting tax bills, water and sewer rents and providing service to the general public, as well as providing fiscal support of all departments of the City.

Utmost in our duties is the accountability of the Tax Payer's dollars. This office publishes a comprehensive financial report annually under a separate cover. As presented in that report the General Fund of the City as a result of its operations has a Fund Balance or surplus of \$422,941.00. This fund balance is directly carried over to the next fiscal year to offset what needs to be raised by taxes for that fiscal year.

The City met its debt requirements promptly during Fiscal Year 1992. It paid out \$360,000.00 in principal and \$253,820.00 in interest. The City's total Bonded Indebted-

Treasurer's Office

*Ronald Graves, M. Margaret Grace, Asst.
Treasurer, Carol Bryant, Micheline Desjardins,
Catherine Cioffi*

ness as of June 30, 1992 is \$2,685,000.00. Interest on that debt totals \$1,145,241.25.

The City also maintains Water, Sewage Disposal and Parking Meter Funds in addition to a number of Trust and Agency funds.

The Financial Report will be audited by an independent certified public accounting firm, A.M. Peisch and Co., Inc. The audit was designed to meet requirements of the City, State and the Federal Single Audit Act of 1984 and related OMB Circular A-128.

The preparation of this report and the comprehensive annual financial report on a timely basis was made possible by the dedicated service of the entire staff of the Finance Department which is made up of the Treasurer's office and Data Processing Department.

*Seated: Dean Lawes, Stephanie Lorentz
Standing: J. Malcolm MacDonald, Jay Cross, Clifford Giffin*

Report of the Zoning Board of Adjustment

Dean Lawes, Chairperson

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

The Zoning Board of Adjustment has again completed another year of fulfilling its duties and responsibilities in upholding the City Ordinances set before us. It is with pleasure that I hereby submit the annual report of the Zoning Board of Adjustment.

The members during the fiscal year 1991-1992 included Chairperson Cliff Giffin, Secretary George Clewes, Stephanie Lorentz-Vice Chairperson and Dean Lawes-Vice Chairperson. On April 20, 1992, the following officers were elected: Chairperson Dean Lawes, Secretary George Clewes, Andrea MacLaughlan-Vice Chairperson, and Jay Cross-Vice Chairperson. Members also include Dr. J. McDonald, Cliff Giffin, and Stephanie Lorentz.

During the course of the year, we held six

(6) public hearings for variance requests, with three (3) of those being denied and three (3) approved.

Our obligations include determining whether or not the statutory five criteria were satisfied following a request for a variance. Public hearings are warned to give advance notice to the public to participate in the hearing. In addition to holding public hearings, we investigate and make determinations on discrepancies of the Zoning Ordinances that come through the Zoning Administrators office and interpret the Zoning Ordinances as written.

In closing, I would like to thank the residents of the City of Rutland for their active participation in the public hearing process, the Zoning Administrator and the Mayor for their continued support of our efforts.

Report of the Office of Community Development

Thomas L. Donahue, Director

To The Citizens of Rutland:

In the face of a national recession, the City of Rutland is still on the move in our 100th year. The revitalization projects proposed for downtown are beginning to fall in place. The owners of the Rutland Shopping Plaza and Price Chopper Supermarkets have announced a 12 million dollar project which will provide 67,000 sq. ft. of new retail space plus a face lift and including the largest supermarket in the State of Vermont at 58,000 sq. ft.

In addition, all final approvals have been obtained for a 1.5 million dollar HUD grant which will provide important infrastructure improvements in and around the downtown plaza. Final approval has been given by the State of Vermont to relocate the State offices to the downtown Hulett Building site, a project of about \$6 million dollars. Work still continues to locate a CVPS Headquarters downtown as well as a new Multi Modal Transit Center with associated parking for over 600 cars. I don't believe downtown has had an opportunity like this since the voters turned down the Urban Renewal Program in 1964.

The public seems to have a proactive attitude about our downtown now. Unlike the 1960s, the voters overwhelmingly approved ballot items last November that support the downtown revitalization program and specifically the Rutland Partnership, Inc. The Partnership has been doing good things for downtown with coordinated management, marketing and maintenance. The Office of Community Development continues to work closely with the Rutland Redevelopment Authority and the Rutland Partnership on the downtown projects.

I continue my work writing and implementing grants for the City and have had another successful year. As I mentioned earlier I have completed the final approval process for the \$1.5 million HUD grant to the City for downtown infrastructure improvements. Together with Rutland West Neighborhood Housing Service we were successful in securing a \$200,000 Implementation grant to continue the Revolving Loan Fund

for housing rehabilitation in the six town consortium which includes the Northwest and Southwest neighborhoods of the City. As of December 31, 1991, Rutland West Neighborhood Housing Service has made direct loans of \$500,013 to Rutland City property owners. Again, this year I was successful in securing a \$13,520 Emergency Shelter Grant for the Bennington Rutland Opportunity Council's long term family shelter located in Rutland.

I was also successful in obtaining a \$15,000 Planning Grant for the City to undertake a comprehensive rewrite of our 1948 Zoning Bylaws. The Rutland City Planning Commission is putting the final touches on a new Zoning Bylaw, which compliments and implements the city Master Plan adopted last year. The bylaws will protect land values, providing for proper development to occur while protecting residential neighborhoods. In conjunction with my office, the Planning Commission conducted four neighborhood assemblies to solicit public input on the proposed document. After months of hard work and four drafts later, the Planning Commission put forth a document that we can all be proud of. The Board of Aldermen must now consider the new zoning bylaws before adoption.

I am pleased to say that Vermont Country Store has broken ground and is building a 70,000 sq. ft. distribution center at the Airport Industrial Park, providing jobs and taxes for Rutland. I worked closely with Rutland Industrial Development Corporation to help land Vermont Country Store at the Airport Park. There were several other communities in Vermont competing to be chosen for the new site.

I travelled to Montpelier many times last year during the legislative session to testify on behalf of the City for legislation on a variety of subjects that would benefit Rutland. I continue to press for improvements to our highways and our airport and met with Agency of Transportation Officials many

times last year in this regard.

One of the accomplishments I am most proud of is the planned repaving on Woodstock Avenue, approximately 1.2 miles from Main Street to the City line at Gleason Road. Endorsed by the Mayor and the Rutland Region Chamber of Commerce, I engineered a petition drive for the Woodstock Avenue paving project requesting immediate attention from the State of Vermont. The petition drive netted nearly 5,000 signatures in support of this request. The State responded almost immediately with an endorsement and a contract for the work for an estimated \$500,000. I applaud the Governor and the Agency of Transportation for their expeditious response to the public's request for assistance.

Last year marked the second visit of an official City delegation travelling to our sister-city of Ishidoryia Japan. A combination of City officials and business people traveled at their expense to celebrate the fifth year of our relationship with Ishidoryia. My office coordinated the official visit, which was a great success. In addition, the Rutland-Ishidoryia Student Exchange completed our fourth suc-

cessful exchange this past summer, again giving Rutland youth a once in a lifetime experience. I also completed a successful delivery of ten Vermont Maple Trees to be planted in Ishidoryia in honor of Rutland and marking our five year relationship.

Last year I served on the Board of Directors and as Vice President of the Southern Vermont Development Council, Rutland West Neighborhood Housing Service, Board of Director, and Chairman of the Operations Committee, First Night Rutland Board of Directors, Vermont Interactive Television Board of Directors, Vermont Community Development Association Board and the Chamber of Commerce Transportation Committee. Also, I served as Americans with Disabilities Act (ADA) Coordinator for Rutland, Chairman of the City Development Review Committee and a member of the City's Traffic Safety Committee.

Again this year, I would like to thank Mayor Wennberg and the Board of Aldermen for their strong support of my community development activities. I would also like to thank the Planning Commission for all their hard work last year and Cathy Diana and Jean Mattsson for their professional assistance.

Report of the City Attorney

Frank H. Zetelski, City Attorney

To the Honorable City Council and the Citizens of the City of Rutland:

I hereby submit the Annual Report of the City Attorney for the fiscal year July 1, 1991 through June 30, 1992.

The office of the City Attorney has been busy as usual during the past fiscal year. We have been involved in rendering advice to the various City Officials and Department Heads on virtually all matters that arise on a day to day basis. We have also been very much involved in advising the Mayor and Boards with respect to the legal ramifications inherent in actions taken, although with the City of Rutland moving into new areas to meet the challenge of more service for less resources, it is often difficult to anticipate how the Courts and regulatory bodies may rule on matters affecting the City.

While it has been frustrating to endure setbacks and await decisions from state agencies, boards or the Courts. Each time we have met with what may appear to be a loss, the experience has given guidance on how to proceed further. The Board of Aldermen and Mayor have certainly blazed new trails in areas of solid waste, sewerage disposal, road construction, conservation and business development, areas in which this office has played a role.

While we have not yet seen groundbreaking on the Zambias Mall, the revitalized Rutland Plaza, the State Office facility, or the Central

Vermont Public Service Corporation Headquarters, these projects have required a significant expenditure of time and energy and each of them come closer to fruition. The Redevelopment Authority has had a very active year and with this activity has come cooperation and assistance from this office.

In the litigation area, the year has not produced any surprises. Lawsuits involving sidewalk falls and similar personal injuries seem to actually be diminishing. We continue to either direct or participate in all City litigation. Since each lawsuit filed costs the City money, regardless of whether the City has any fault, or negligence, control of that litigation is a high priority.

Regarding labor negotiations, since the last report Public Works and Police have signed contracts. All three municipal unions were therefore governed by contract during that fiscal year. During the next year we will be negotiating with fire and police for new agreements.

I would like to close this report by thanking the Department Heads, Members of all City Boards, the Mayor, the legal community and most importantly, the citizens of Rutland City for making the job of this office both pleasurable and productive. I look forward to the challenge of next year.

Office of the City Clerk

Rosemary F. Finley, C.M.C.,
City Clerk

To the Citizens of the City of Rutland:

The following is the annual report for the office of City Clerk.

LAND RECORDS

9,040 pages of land records were recorded and microfilmed during the year.

MEETING MINUTES

Minutes of the following meetings were taken and recorded:

- 40 Board of Finance
- 28 Board of Aldermen
- 28 Board of Highway Commissioners
- 14 Public Hearings/Board of Aldermen
- 9 Board of Civil Authority
- 5 Board for Abatement of Taxes

VAULT RESEARCH

During the year 2,792 people signed into the City Clerk's vault to do research in our land records and vital records.

VITAL RECORDS (Calendar Year 1991)

- 252 Resident Births
- 552 Non-resident Births
- 804 Total Births

- 218 Resident Deaths
- 280 Non-resident Deaths
- 498 Total Deaths

- 179 Marriages

LICENSES

Licenses issued to date for the current license year are as follows:

- 58 First Class Beverage Licenses
- 38 Second Class Beverage Licenses
- 72 Tobacco Licenses
- 1,246 Dog Licenses
- 219 Rutland City Business Licenses as follows:
 - 1 Bowling Alley (32 lanes)
 - 22 Coin Machine (covering 97 machines)
 - 7 Mobile Home Parks

*Rosemary Finley
City Clerk/Purchasing Agent*

- 9 Motel/Hotel
- 16 Peddlers
- 22 Pool Room
- 105 Restaurant/Deli
- 24 Retail Meat
- 7 Taxi (covering 19 vehicles)
- 2 Theater
- 2 Transient Merchant
- 2 Wholesale Meat

ELECTIONS

September 1991 Special Election: Voters approved a requirement that the municipal plan and amendments thereto to be adopted by Australian Ballot. Voters also approved the City proceeding with revisions to the zoning regulations.

March 1992 Annual City Election: In addition to electing officers and acting on funding for various social agencies, the voters: defeated a \$975,000 bond for the purchase of an existing recreation facility; approved \$325,000/\$650,000 sewer system improvement bonds; approved formation of a committee to study the concept of merger with the Town of Rutland; approved repeal of the laws creating the City of Rutland to reinstate the Town of Rutland as it was in 1892. This matter has not received required legislative approval; approved an amendment to the municipal plan regarding the classification of a portion of South Main Street; defeated Charter amendment to require voter approval

of adoption or amendment of municipal plans and by-laws adopted pursuant to 24 VSA 117 Subchapters 5 and 6; defeated an additional appropriation of \$450,000 for school purposes.

June 1992 Special Election: Voters defeated a proposed \$395,000 additional appropria-

tion for schools.

I would like to thank the Mayor, Board of Aldermen, City Department Heads and employees for their assistance in the performance of the varied functions of the City Clerk's office.

*Donna Fuller
Deputy City Clerk, Vital Records*

*Sharon Mazzariello
First Assistant Clerk, Land Records*

*Darlene Gregory
Second Assistant Clerk, Elections*

Report of the Purchasing Agent

Rosemary F. Finley, Purchasing Agent

Susan O. Eckhardt, Assistant Purchasing Agent

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

We respectfully submit the annual report for the Purchasing Department for the fiscal year ending June 30, 1992.

During fiscal year 1992, the Purchasing Office approved 2990 Purchase Orders. They were issued as follows:

1140	Department of Public Works
778	Recreation Department
340	Fire Department
325	Police Department
95	City Clerk's Office
85	Building & Zoning Office
66	Treasurer's Office
46	Attorney's Office
37	Mayor's Office
35	Community Development
15	Assessor's Office
11	Purchasing
7	Multi Department
5	Emergency Management
4	Health Department

The department also issued Invitations to Bid for 69 different items ranging from Acetylene to Zinc Orthophosphate.

Whenever possible, we take advantage of the State of Vermont Purchasing Department bids that can be extended to the City and do joint bidding with the Rutland City School Department when it will provide savings. The list of items includes lightbulbs, highway materials, No. 2 Fuel Oil, Propane, Kerosene, Typewriter Maintenance, and Photo Copier Contracts.

We would like to thank the Board of Aldermen and Mayor Wennberg for their continued interest and support of more progressive financial management, the department heads and personnel for their constant cooperation, assistance, and input.

Constable and Tax Collector Report

Vernon Richards, Constable and Tax Collector

To the Honorable Board of Aldermen and the City of Rutland:

As City Constable and Tax Collector of the City of Rutland, I am pleased to submit for your consideration the financial report of this office for the period July 1, 1991 to June 20, 1992.

Real Estate and personal property taxes collected during the period amounted to \$852,163.98.

General bills include water and sewer installations done by the City, sidewalk and curb improvements, tree removals and other expenses totaled \$4,016.29.

Water and sewer assessments amounted to \$128,484.12.

The cumulative total for all monies collected by this office for this period was \$984,664.40.

May I take this opportunity to thank sincerely the Honorable Mayor, City Attorney, other City officials for their cooperative efforts during the past year.

Emergency Management Report

Aldo M. Manfredi, Director, Emergency Management

To the Honorable City Council and Citizens of Rutland:

I respectfully submit the Annual Report for the Emergency Management Department for the Year ending June 30, 1992.

The Department was activated during the past year for various emergencies, such as General Alarm fires, winter storms, high winds, water emergency and flood warning.

Many Emergency Management courses were offered to the City Departments this past year mostly dealing with hazardous materials. It seems that as the awareness for this type of emergency training is fast approaching that more courses will be offered to all Departments and Agencies in the near future. Some of the courses offered in the past consisted of hands on training on the Vermont Railroad yards where first responders from area Fire, Police, Emergency Management and Emergency Medical Responders spent the day learning the functions of railroad tank and box cars.

Several test exercises were held this past year to test the emergency plans developed by this organization to ensure that they are viable. All tests were considered successes.

General Alarm Fires resulted in my reporting to the scene to render assistance when needed. At one incident shelter and clothing were obtained with the assistance from the Red Cross Agency.

Flood Warnings were a cause for this Department to establish a patrol of Otter Creek at River Street to keep an eye on the condition of the river. Fortunately we were spared from any major damage.

A water shortage due to a damaged City water pipe at the Bardwell House was another Emergency where the State Emergency Management Department assisted us in obtaining National Guard water tanks to supply the residents at that facility with water.

The City School Crossing Guard program

has completed another year and I must compliment the entire force for the work they did this past year. With the moving of all elementary grades to different schools the schedules for the first few weeks was very hectic. Later everything worked out nicely.

As the Chair for the Local Emergency Planning Committee the year was a very busy one with the planning meetings and the testing of the completed plan it was a very rewarding experience. This works very well with my responsibilities in Emergency Management for the City. I attended as many State Emergency Response Commission meetings as I could for it is at these meetings that a great deal of useful information is given regarding hazardous material training courses that are for the benefit of Emergency and First Response Personnel.

I represented the Board of Aldermen at the Regional Ambulance meetings this past year and you will find a separate report on this in another part of the city report.

The city departmental safety program was again coordinated this past year with another year showing a slight decrease in reportable job related injuries. I do hope that this will be the trend in the future and that the injury rate will decrease further.

The city fuel fund saw an increase in activity this past heating season but with the assistance from the area church council and some other contributions the fund was able to handle all cases without turning anyone away.

Lastly I want to thank everyone who assisted this department over the past year in helping it to complete its task. To the State Emergency Management Staff, Mayor, Board of Aldermen, all the City Departments, National Guard Rutland Unit, all who helped coordinate the various emergencies, and last but not least the Volunteers who helped make the load a little lighter for me.

Rutland Fire Department

Gerald T. Lloyd, Chief Engineer

To: The Honorable Board of Aldermen and the Citizens of the City of Rutland

I respectfully submit the annual report for the City of Rutland Fire Department for the fiscal year June 30, 1991 to July 1, 1992.

During the past year, this department has responded to 490 emergency fire calls, 49 rescue extrication calls, 171 citizen assistance calls and 36 incidents involving various types of hazardous materials.

Our department responded to two general alarms during the past fiscal year. The most serious fire occurred on 2/28/92 in a warehouse located on Cleveland Avenue owned by Central Vermont Public Service Corporation and leased to John Russell Corporation. The fire was discovered by Rutland City police officers during the early morning hours and the fire had vented through the roof prior to the arrival of our on duty fire fighting crew. The service center and storage area suffered heavy fire damage but the fire department was able to prevent the fire from spreading into the attached office portion of this structure. The second general alarm took place in a 4 unit occupied dwelling located at 15 Lincoln Avenue on 4/19/92. The tenants of this structure were safely evacuated but two occupants of the first floor apartment suffered minor smoke inhalation. City firefighter Charles Oczechowski suffered a broken foot while in the process of assisting in the suppression of this fire. There was heavy fire damage and smoke damage to the front first floor apartment which was the area of origin. The second floor apartment located directly above the fire scene also sustained heavy fire and smoke damage. The two rear apartments experienced only smoke and water damage.

The Vermont State Firefighters Association selected the City of Rutland to host the 103rd Annual State Convention and Conference which will be held on 7/31 and 8/1/92. August 2nd is scheduled as the parade date with invitations being sent to all departments in the State of Vermont and member departments in New England and New York state.

The Board of Aldermen has authorized the replacement of Engine #2 and the expected date of delivery of this replacement vehicle manu-

factured by the Supthen Company is 7/23/92. The Board of Aldermen has also authorized the replacement of this department's fire alarm/bucket truck and the radio and desk dispatch computer system. The new bucket truck is scheduled to be delivered in October 1992. This department has drafted specifications for the replacement of the entire radio system and a computerized dispatch area. Once the successful bidder has been selected for this equipment, the bids will be awarded and installation should take place by November 1, 1992 and with the entire system being totally operable by November 15, 1992.

Our ongoing training within this department is continuing and Phase III of the training schedule covering fire alarms and sprinklers has been scheduled. This course will be offered through the Department of Labor & Industry Fire Prevention Division. Many members of this department have taken advantage of the educational opportunities provided to them and have attended outside schools and training seminars.

This department will host the Incident Command course which will be held at Mount Saint Joseph Academy on 10/24 and 10/25/92. The instructors for this training seminar will be provided by the National Fire Academy in Emmitsburg, Maryland and will be open to all departments and organizations involved in providing emergency response for their citizens.

Again this year, the members of American Legion Post 31 have made a generous contribution in the amount of \$1000 in the name of the late Chief Alfred H. Koltonski for the purpose of upgrading this department's computer system. The members of this department would like to thank all the members of Post 31 for their generous support and dedication to this agency.

I wish to thank the members of this department, Mayor Jeffrey Wennberg and members of the City Council and department heads for their cooperation and assistance that has been provided during the past year.

Grand Juror/Assistant City Attorney

Christopher P. Sullivan, City Grand Juror/ Assistant City Attorney

To the Board of Aldermen and Citizens of the City of Rutland:

Criminal fines collected for fiscal year ending June 30, 1992 were \$ 37,460.49. This office no longer criminally prosecutes parking violations. Parking violations are handled administratively by either the City Attorney or Grand Juror/ Assistant City Attorney. A person protesting a parking ticket may request a hearing within seven (7) days after which a hearing is scheduled in which the City Attorney or Grand Juror or Grand Juror/ Assistant City Attorney hears testimony and takes evidence to determine whether the ticket should be paid.

Now that the Municipal Plan is in place, the Planning Commission has continued its planning endeavor and has been preparing zoning regulations. This office has reviewed the proposed zoning regulations and will continue to do so as the process moves to the Board of Aldermen for their review and approval. This office still serves as the representative to assist the Rutland Regional Commission regarding the Regional Plan.

In addition to the duties as Grand Juror, this office as Assistant City Attorney has continued to advise and counsel the Board of Aldermen, Board of Civil Authority, Plan-

ning Commission, Board of Liquor Control Commissioners and the committees thereof as well as many administrative committees. This office along with the City Attorney, split duties regarding the Zoning Board of Adjustment and variance appeals.

Further, this office continues its efforts regarding enforcement of local ordinances. To help with this increased enforcement, the recodification of the local ordinances and charter continues as well. This process involves the revision of the ordinances and charter for better control of local issues. This recodification will update and correct any ambiguities, vagueness and inconsistencies within the ordinances and some charter provisions and will enable this office to enforce those situations that are now difficult to prosecute because of such ambiguities, vagueness and inconsistencies. Again, I have enjoyed yet another year and look forward to this coming year and its challenges. Thanks are due to each member of the Board of Aldermen, Mayor Wennberg, all City Department heads and the City Clerk's and Treasurer's offices for their support and assistance.

Health Officer

Pamela J. Petrie, Health Officer

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I hereby submit the annual report of the Health officer for the fiscal year ending June 30, 1992.

The Board of Health consists of Robert Beauchamp, R. Ph., Ernest Bove, M.D. and Gordon B. Smith, M.D. This board acts in a supportive role by assisting and advising the Health Officer in matters regarding public health.

Throughout this past year, both the Health Officer and the Board of Health have maintained close supervision over the weekly testing of City water, with the cooperation of the water treatment manager. In January, 1992, we assisted the Department of Public Works with the city wide sampling program to test for lead and copper in drinking water as now mandated by stricter regulations imposed by the EPA and the Safe Water Drinking Act. This will be an on going project which will be monitored closely by the Board.

Each year brings an increased number of public health nuisance allegations which require investigation. The most numerous of these is always the disposition of garbage. Appropriate citations were issued when necessary to those violating the City ordinances and in some instances, help was needed from the Vermont Department of Health or other Departments to resolve some of these issues.

Again the Board has taken an active role in

the close monitoring of the potential opening of the Rutland Resource Recovery Center. The vast majority of complaints received concern the disposition of garbage. The ever increasing cost and difficulty in garbage disposal continues to make this an escalating problem. A more reasonable, cost effective resolution needs to be found with cooperation between all factions to help resolve this problem in the near future.

On behalf of the Board of Health and myself, I would like to thank Mayor Wennberg, the Board of Aldermen, all City Department Heads and their personnel for their continued support. In closing, I would again like to thank the many concerned citizens of this city for their assistance, cooperation and support, for without their help, many of the health issues would go unresolved.

Milk Inspector

Pamela J. Petrie, Milk Inspector

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I respectfully submit the annual report of the Milk Inspector for the fiscal year ending June 30, 1992. The milk inspector is responsible for all the annual licensing of all businesses in the City of Rutland which process or sell milk or milk products. As most of our milk producers are located outside of the

city limits, we have been fortunate to obtain the necessary testing reports on these milk products determining that they meet all state requirements.

127 annual milk licenses were issued and 32 milk licenses issued at the Rutland Fair, with no problems being reported!

*Seated: Kathleen Valente, Marianne Coombs
Standing: Richard Gorruso, Joseph Gallagher, Kevin Smith, C. Austin Burbank
Missing: Nancy Beauchamp, Carolyn Baker*

Planning Commission

Marianne R. Coombs, Chair

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

The commission has had a busy year, although the workload has decreased appreciably since the Municipal Master Plan was completed and adopted by the Board of Aldermen in August of 1991.

Provision for open space planning was a feature of the Master Plan and accordingly, a Committee was formed last fall, and a consultant, Helen White, was hired with planning grant funds to develop a Trails and Greenways plan for the city. The Committee consisted of Planning Commission members and selected members of the community. A public forum was conducted to present this plan. The plan basically seeks to connect the existing parks, recreation and open areas by development of hiking and biking trails, also using the waterways such as Otter Creek and East Creek. For implementation of this plan, grant funds are available through the Agency of Natural Resources.

The Commission processed eight subdivision applications this year.

Member of the Planning Commission have worked with the Rutland Redevelopment Authority to develop design guidelines for Downtown Redevelopment, specifically fo-

cusing on the plaza redevelopment plan, and serve on the Design Review Committee with members of the Redevelopment Authority and the Downtown Partnership.

The Commission is currently drafting zoning by-laws which will be consistent with the land use provisions in the new municipal plan, and will replace the current zoning which dates back to 1948. Michael Barker of Waitsfield has been working with us on this. We are very fortunate in Mr. Barker, who has an extensive and impressive background in his field and who is a top caliber professional.

Changes in membership occurred with the resignation of Bernie Haley and Shirley Birt. Both Bernie and Shirley were very capable and hard working Commissioners and they are missed.

The appointments of Kathleen Valente, with an educational background and Kevin Smith, with an engineering background, continue the efforts to have representation from the various areas of the city and with diverse backgrounds. We are indebted to Mayor Wennberg and the Board of Aldermen for the excellence of appointments to the Commission.

The commission acknowledges with regret

the recent death of George Clewes, a member of the Board of Zoning Adjustment and former member and former Chairman of the Planning Commission. George was a fine gentleman with a long record of public service to the city.

The Commission wishes to thank everyone

with whom we have had the opportunity to work this year. Although these are too numerous for individual mention, special thanks must go to Tom Donahue to the Community Development office and Chris Sullivan, Attorney assigned to the Planning Commission.

Police Department

Robert R. Holmes, Chief of Police

To the Honorable Board of Aldermen and the Citizens of the City of Rutland:

The Annual Report of the Rutland City Police Department for Fiscal Year ending June 30, 1992, is hereby respectfully submitted to Mayor Jeffrey Wennberg, the Honorable Board of Aldermen, and the Citizens of the City of Rutland.

Fiscal year July 1, 1991 through June 30, 1992 was a very successful year for the Rutland Police Department in terms of efficiency and the reduction of crime and accidents. The total number of Part I Crimes committed in the City of Rutland during FY1991-92 decreased an astounding 35.7% from the previous year with major reductions in Assaults, Burglaries, Thefts, and Auto Thefts. Part I Crimes are a category of eight crimes used by the F.B.I. Uniform Crime Report as a standard index to determine crime trends throughout the nation.

Part II Crimes, which essentially represent all other crimes not included in Part I Crimes, decreased an overall 21.6% in Rutland in FY1991-92 with major reductions in stolen property, vandalism, drug offenses, offenses against family/child, liquor violations, and disorderly conduct. Total reported crimes, including Part I and Part II Crimes, were down 27.6% for the year.

Similar successes were also realized in traffic accident figures. The total number of motor vehicle traffic accidents occurring in the City of Rutland during FY1991-92 were decreased by 12.3%, including a 27.8% reduction in personal injury accidents. No fatal automobile accidents occurred in FY1991-92.

Obviously, crime and accidents occur as the result of a number of complex factors ranging from economic and social conditions, to demographics and weather and the Police Department cannot be totally responsible for changes in crime trends, positive or negative. However, the prevention of crime and accidents remains the primary goal of the Police

Robert R. Holmes, Chief of Police

Department and these significant reductions, in my judgment, serve as some measure of the Department's efforts toward that goal.

During the twelve months of FY1991-92, the nation, as well as Vermont and the City of Rutland, were in a state of economic recession. City revenues were adversely affected which limited the Police Department budget to one less police officer than was authorized the previous year. The Police Department had just reorganized in FY1990-91 and reduced the total staff by five positions. Therefore, the improved efficiency of the Department is emphasized by the fact that these significant reductions in crime and accidents were accomplished during an economic recession with 2.7% fewer police officers than were authorized in FY1990-91, and 13.4% fewer police employees than were budgeted only two years prior.

In addition to the increased efficiency, public attitude toward the police was apparently improved as indicated by a decrease of 44.8% in the number of citizen complaints regarding police misconduct filed in FY1991-92.

Some of this year's success can be attributed to the continuation of public education programs designed to prevent crime and to the implementation of a service oriented philosophy coupled with the implementation of a strict policy regarding maintenance of order violations and an aggressive criminal apprehension policy. However, the lion's share of credit, in my judgment, goes to the individual

Anthony L. Bossi, Deputy Chief of Police

members of the Department whose professional competence, hard work, dedication, and teamwork carried out these policies and programs.

The D.A.R.E. (Drug Abuse Resistance Education) Program, implemented in FY1990/91, by Corporal Edward Larson, continued throughout FY1 991-92, and was enlarged with the certification of Officer J. Michael Warfle as an additional D.A.R.E. officer. Corporal Larson and Officer Warfle taught drug and alcohol abuse resistance skills in the classroom in seven public school sixth grades and two fifth grades and two sixth grades in the parochial system, reaching 258 students in 212 classroom hours. In addition, they provided a number of parent information sessions and special events such as the Prevention Convention. Mayor Wennberg nominated the D.A.R.E. Program for a Diamond Award in 1992, and Corporal Larson also served as Vice President of the Vermont D.A.R.E. Officers Association.

The Patrol Division, in order to increase coverage during peak periods while minimizing costs, utilized Special Officers in addition to regular patrols, on weekends and nights, to implement a "No Tolerance" policy regarding maintenance of order violations in the downtown area. This effort contributed to the overall reduction in thefts, burglaries, assaults, and vandalism, which was reduced by 26.3%.

A new infrared breath analyzer machine

was provided by a State Highway Assistance Grant and additional training for D.U.I. enforcement resulted in a 141% increase in arrests for driving under the influence, and a 52.8% increase in arrests of persons driving under a suspended driver's license. The impact of these enforcement actions is seen in the accident reduction figures.

Most of the burglaries in FY1991-92 occurred in late 1991 during the first half of the fiscal year. They were substantially reduced by an intense concerted investigatory effort of the Bureau of Criminal Investigation. The efforts of Corporal Kevin Geno and Detectives Rod Pulsifer and Chris Kiefer resulted in the arrest, convictions, and incarceration of twenty-one separate burglary suspects within a three month period.

Detective Ray LaMoria, the 1991 recipient of a New England Drug Officers Association Award for his Outstanding Contribution to Drug Enforcement, continued his assignment to the Southern Vermont Drug Task Force with considerable success, having a substantial impact on drug abuse in the Rutland Region. The City is reimbursed through State grants for LaMoria's salary; and in addition, the City received approximately \$19,718.74 in forfeited drug seizure money in FY1991-92 through LaMoria's participation in drug enforcement activities.

The accomplishments of the line divisions must be equally shared by the support personnel in the Records and Communications Sections.

The Records Section serves as the memory of the Department and appropriate administration, investigation, and prosecution depend on the ability to retrieve complete and accurate information. Because Rutland Police Records are not yet computerized, the completeness, accuracy, and timely retrieval of documents is done manually by two Records Clerks. These records were audited two times in FY1991-92 by the Vermont Criminal Information Center and no errors were noted in either audit.

The Communications Center serves as the nerve control of the Department. Most calls for police service originate there, and the Communications Operators are usually the first contact reporting persons have with po-

*Corporal Linda S. Elrick,
Administrative Assistant*

lice personnel. Often the reporting person is a victim, witness, or participant in a crime, accident, or other disturbance; and they are excited, injured, intoxicated, frightened, distraught or angry. The successful outcome of the subsequent police response is often dependent upon the accurate interpretation, evaluation, and communication of information the Communications Operator is able to elicit from such initial contact.

In March, 1992, the Vermont Commissioner of Public Safety presented a Certificate of Citation and Appreciation to Rutland Communications Operator Patricia Dunchus for her demonstrated ability to recognize, re-

member, and react to information and circumstances in April, 1991, which directly resulted in the identification and apprehension, by Rutland officers, of two escaped felons who had just murdered Robin Colson of Newfane, Vermont.

There were also some successes indicated in some of the Police Department ancillary functions such as downtown parking enforcement. Through the continued aggressive parking enforcement activities of Officer John Tuepker, there appears to be more compliance with parking ordinances in the downtown area. The total number of parking tickets issued were down by 1.5% and therefore fines were down a like amount. However, revenues from the meter parking was up which indicates a more appropriate compliance with meter ordinances. More appropriate compliance should result in more parking space turnover and parking availability to downtown business customers.

I am proud of the performance of the Police Department during this year and would like to take this opportunity to thank Police Commission Chairman Dick Smith and all the members of the Police Commission, Mayor Wennberg, and the members of the Board of Aldermen, and the Citizens of Rutland for the tremendous support and confidence they have given the Police Department. I would also like to use this opportunity to express my sincere appreciation and gratitude to every member of the Police Department for a job well done.

Department of Public Works

Robert J. Navin, Commissioner of Public Works

To the Honorable Board of Alderman, and the Citizens of the City of Rutland

I hereby submit the annual report of the activities of the Department of Public Works for Fiscal Year 1991-92.

The Department of Public Works provides a variety of basic services to the citizens of Rutland. Among them are day to day maintenance of City Streets, Sewer Collection Mains and Water Distribution Mains, the Wastewater Treatment Plant, the area comprising the City's Watershed and the Water Treatment Plant. In addition, the Department responds to citizen complaints on a daily basis and emergency situations on a 24 hour basis. Citizens are reminded to contact the Police Department for emergency situations when the Department's business office is closed.

A special note of thanks is extended to the Public Works employees, Mayor, Board of Aldermen and citizens of Rutland who have assisted the department.

The Department of Public Works should and will continue to serve the Citizens of the City of Rutland to the best of its ability.

ENGINEERING

Warren E. Conner, City Engineer
Alan Shelvey, Asst. City Engineer

The Engineering staff under the direction of City Engineer, Warren E. Conner, provides survey, design, and other engineering services for all divisions of the Department and for other departments within the City government.

As part of these services, the Engineering Division compiles and constantly updates plans and records of the water distribution system, the water treatment system including records, and inspections of all sewer systems in the city's watershed, the sewer collection system, the sewage treatment plant, and the City's street system. In addition, the Division reviews all development in the City's watershed. The Division also reviews and oversees water and sewer designs and specifications for projects let out for bid, and for streets and utilities built by developers which

are to be taken over by the city upon completion.

The reconstruction of State Street from Merchants Row to Columbian Avenue which included new water and sewer lines and storm sewer separation was completed. The results from our pilot plant study for a slow sand water filtration plant indicated that this is a viable means for the City to meet the Surface Water Treatment rule required by the U.S. Environmental Protection Agency's Safe Drinking Water Act. The pilot plant was operated and the testing was performed by Division personnel under the direction of Dr. Robin Collins of the University of New Hampshire. Phosphorus Removal facilities at the Wastewater Treatment Plant were put out for bid and will be constructed in the next fiscal year. The project is funded 100% with Federal and State funds. The first phase of the City's Combined Sewer Overflow Abatement Project is in final design and construction is anticipated to start during the next fiscal year. Bonding for this project was approved by City voters in the March (1992) election. Both the Phosphorus Removal and Combined Sewer Overflow projects were done by Dufresne & Henry, Inc. under the direction of the Engineering Division. The Division is also responsible for ongoing ground water monitoring of the now officially closed city landfill. Construction was started on a new bridge/culvert on Strongs Ave. at Moon Brook. The Division is currently working with Rutland Redevelopment Authority and the Community Development Director on the Rutland City Plaza reconstruction and associated projects. The Division is working with the Vermont Agency of Transportation on several highway projects proposed for the Rutland City area including a circulation and signalization study of all signalized intersections in the City. The Division reviewed 173 building permits in conjunction with the Building Inspector's office.

The Division also provides information to contractors and others concerning location of

city utilities, performs all traffic engineering functions for the City, prepares necessary easements and executes other duties of an engineering nature as required.

The Engineering Staff consists of Warren Conner, Alan Shelvey, John Havens and Pete Kelley.

CITY FOREST AND ORNAMENTAL TREES

David Richards, City Forester

The City Forester is in charge of all forestry work including management of the city's ornamental trees and the 4,000 acres of the city forest in the watershed.

The sale of all timber on the Rutland city Municipal Forest is carried out under approved watershed management practices to provide a regulated harvest of timber products and to protect and insure maximum sustained yields of usable water. Timber sales include sawlogs, firewood and pulpwood. Sales are marked out so as to improve the timber stand which remains while providing income for the City. Trees over 8" in diameter at breast height which do not promise to develop into sawtimber quality stems are removed. Large straight trees are left to become more valuable and to provide genetically superior seedlings.

The Vo-Tech School's forestry program continues to use the Rutland City Forest to train students in logging techniques.

Under the City's ornamental tree program we have tried to maintain the beauty of our City by properly caring for our trees. This includes removal of dead and dying trees, removal of dead limbs, installing metal cables or metal rods to prevent splitting, removing low hanging limbs for street and sidewalk clearance, fertilizing trees and planting new trees.

During the winter/spring of 1992, the City Forester took an inventory of all City owned street trees. The results were a total of 3,453 trees on the street right of ways.

It is recommended that no species of trees should exceed 5% of the total tree population. This is to prevent a catastrophe as happened to the elm tree with Dutch Elm Disease. The survey revealed there are five (5) species of trees which exceed 5% of the total population.

We will not plant any more of this type of tree. The most common tree found on City streets is the Norway Maple which makes up 18% of the total population.

Most large cities in our country set a goal of having one hundred (100) or more street trees per mile. With 3,453 trees and 72 miles of street, Rutland has about 50 trees per mile of street.

Trying to set a goal for tree planting for the next ten (10) years, it is unrealistic to bring Rutland up to 100 trees per mile given our present budget. We have instead set a goal for the next ten (10) years of having seventy-five (75) trees per mile of street. This can be accomplished by planting two hundred (200) plus trees every year.

The City Forester and David Schneider, the forestry instructor at the Vocational School are looking into the establishment of a municipal tree nursery. They have a tentative location established and hope to begin the nursery this current fiscal year. The nursery would serve a dual purpose. It will be used as a educational project and it will put trees on the streets of Rutland.

On May 1, 1992, the City of Rutland celebrated Arbor Day. A tree was planted in Main Street Park and every elementary student in the public school system was given a Norway spruce seedling to take home and plant.

STREETS DIVISION

Paul Julius, Foreman

HOT MIX BITUMINOUS CONCRETE PAVING PROGRAM:

9615.38 tons of paving was put in place by Pike Industries at a cost of \$300,000.00

Hot mixing patching done by Streets Personnel is 145 tons.

Streets paved (or portions of) were: Allen St., Merrill St., Ives Ave., Clinton Ave., Temple St., Bellevue Ave., North St., Park Ct., Charles St., Lafayette St., Melrose Ave., Park Ave., Holly St., Watkins Ave., Cramton Ave., State St., Meadow St., South St., Park Ave., Victor Place, Water St., State St. & Pine, Curtis Ave., Westview, Grove St., Pearl St., Sheldon Towers, Gay St., Coolidge Ave., Rotary Field, Strongs Ave., Evergreen Ave., and Hazel St.

The Department installed approximately 2,000 feet of concrete sidewalks and 575 ft. of concrete curbs.

The Department also repaired 160 ft. of concrete sidewalks and 135 ft. of concrete curbs.

Department Personnel responded to calls from the Rutland City Police by filling pot holes, small repairs, tree removal, and storm damage.

The Department Personnel also set out barricades and stands, for parades, sidewalks sales, etc., in the City and election booths for elections.

SNOW AND ICE REMOVAL:

A total of 3,127.95 tons of salt and 1,811.20 tons of sand were purchased costing \$129,866.98.

WASTEWATER TREATMENT DIVISION

Lewis Hotaling, Chief Operator
Mike Garofano, Lab Director

The following is a report of the Wastewater Treatment Plant for fiscal year 1991-92.

During this year the Rutland City Wastewater Treatment Plant received, treated, and released 1,740,110,000 gallons of wastewater.

To operate the plant, and meet the conditions of our discharge permit, the following products were used:

—Electricity	1,630,000 KWH
—Chlorine	50,769 lbs.
—Sulfur Dioxide	43,055 lbs.
—Polymer	12,300 gal.

Rutland area septic haulers deposited 925,550 gallons of septic tank waste for treatment.

In the course of treating wastewater the treatment process produced the following by-products in raw form:

Grit, Sand & Gravel	126.42 cu yds
Primary Sludge	7,186,467 gal
Secondary Sludge	16,452,088 gal
Grease & Fats	17,000 gal
Methane Gas	9,872,116 cu ft

Solids removed from the wastewater stream were stabilized by the anaerobic digestion process and dewatered on the belt filter presses. This reduced the total volume of sludge to 2536 cu. yds.

In December of 1990 the City applied to the State of Vermont, Dept. of Environmental Conservation for a sludge land application permit. This permit would have allowed for the continued beneficial reuse and recycling of sewage sludge as a fertilizer and soil amendment on agricultural land. Due to the extremely slow permitting process followed by numerous public hearings, as of this date we have not seen a finalized permit nor is there any certainty that we will. As a result, the City has had no option other than landfilling the sludge. We consider this a terrible waste of a valuable natural resource. Therefore we will continue to investigate more reasonable, environmentally and sound alternative solutions to this problem.

At the beginning of this year the plant experienced some process problems that affected our ability to treat ammonia nitrogen which is a permit requirement during the summer months. As a result, some minor permit violations were incurred. The problem was studied in great detail over the winter by our inhouse staff as well as personnel from the state operations and maintenance divisions. Some minor process modifications were implemented this spring as well as the addition of a bacterial enzyme. The results have been quite favorable. The plant process went into the nitrification mode on time this spring and to date has remained stable.

The Rutland area operations challenge team know regionally as "The Green Mountain Boys", has for the third straight year won the State and New England challenge championships. The team still comprises of its original members, Edward Savage, Mike Garofano, and Art Nemeth all from the Rutland Treatment Plant, and Jim Jutras, Chief Operator of the Essex Plant (and a Rutland City resident). In September of this year, the team will be competing against other regional team champions from all over North America. This year's national event will be held at the convention center in New Orleans and is sponsored in part by the Water Environment Federation and the New England Water Pollution Control Association. We are proud of the accomplishments these men have made over the past three years and in the way that they have represented this City and State in the

field of pollution control operations.

To my fellow division managers in the Department of Public Works, the Commissioner, City Mayor, and others whose valuable assistance has contributed to another successful year of protecting our water resources, we extend our sincere appreciation.

WASTEWATER COLLECTION BRANCH

James Ward, Chief

Still after six (6) years the smallest and most productive division of the Public Works Department, the Wastewater Collection Branch accomplished the following work for fiscal year 1991-92 with the following employees:

Sewer specialists:

Tyler Earle
Robert T. Tyler, Sr.
Steve Davine
Fred Wood
Ed Marchinkowski

Backhoe Operator:

William Santwire
Tom Brown

The following lists the major activities of the Department:

Cleaning sewers maintaining and cleaning basins with Vactor, snow removal and sanding Street Division.

New Catch Basins	29
Repair sanitary mains	24
New manholes	24
Repair catch basins	6
Repair manholes	3
Responded to sewer problems	63

Installation of the following footage of PVC pipe for sanitary mains & services:

15' of 8" PVC pipe on Spruce & South; 13' of 4" PVC pipe on 31 Forest St.; 13' of 4" PVC pipe on Whites Playground; 105' of 8" PVC pipe on Moulthrop Ave.; 13' of 6" PVC pipe on Moulthrop Ave.; 13' of 10" PVC pipe on Moulthrop Ave.; 13' of 6" PVC pipe on 69 Baxter St.; 13' of 6" PVC pipe on 28 Perkins Rd.; 18' of 12" PVC pipe on Grove & Oak St.; 9' of 4" PVC pipe on Curtis Ave.; 4' of 6" PVC pipe on Curtis Ave.; 220' of 8" PVC pipe on Curtis Ave.; 9' of 4" PVC pipe on 69 Temple St.; 13' of 6" PVC pipe on State & Grove St.; 16' of 10" PVC pipe on State & Grove St.; 3' of 6" PVC pipe on Williams St.; 130' of 8" PVC pipe

on Williams St.; 8' of 10" PVC pipe on 12 Pine St.; 13' of 6" PVC pipe on 17 Pine St.; 13' of 8" PVC pipe on Corner Burnham & Lincoln; 65' of 8" PVC pipe on Gay St.; 39' of 6x13 PVC pipe on Gay St.; 39' of 6" PVC pipe on Marble Ave.; 434' of 8" PVC pipe on Marble Ave.; 26' of 4" PVC pipe on 146 State St.; 42' of 4" PVC pipe on Clematis Ave.; 19' of 6" PVC pipe on Clematis Ave.; 199' of 8" PVC pipe on Clematis Ave.; 2' of 6" PVC pipe on MSJ Chapel, Convent; 7' of 8" PVC pipe on MSJ Chapel, Convent; 6' of 10" PVC pipe on MSJ Chapel, Convent; 6' of 6" PVC pipe on Brightview Ave. on RRMC sewer line; 6' of 4" PVC pipe on 229 Adams St.; 13' of 6" PVC pipe on Church & Roberts; 13' of 8" PVC pipe on Church & Roberts; 190' of 8" PVC pipe on Avenue "A"; 26' of 4" PVC pipe on Pearl & North St.; 117' of 6" PVC pipe Pearl & North St.; 199' of 8" PVC pipe Pearl & North St.; 14' of 10" PVC pipe on Pearl & North St.; 417' of 12" PVC pipe on Pearl & North St.

Installation of the following footage of PVC pipe for storm sewer mains:

36' of 8" PVC pipe on 84 North St.; 13' of 8" PVC pipe on Church & Roberts Ave.; 3' of 8" PVC pipe on 26 So. Main St.; 3' of 6" PVC pipe on 10 Roberts Ave.; 4' of 8" PVC pipe on 10 Roberts Ave.; 43' of 10" PVC pipe on Pine & Maple St.; 13' of 8" PVC pipe on 57 Pine St.; 13' of 8" PVC pipe on Clinton & North St.; 27' of 8" PVC pipe No. Church St.; 5' of 8" PVC pipe on 68 Cleveland Ave.; 3' of 8" PVC pipe on 45 Engrem Ave.; 36' of 8" PVC pipe on Williams St.; 8' of 10" PVC pipe near Fairgrounds; 6' of 8" PVC pipe on Piedmont Dr.; 2' of 8" PVC pipe on Water St.; 4' of 8" PVC pipe on Evergreen Ave.; 9' of 8" PVC pipe on 6 Marble Ave.; 13' of 8" PVC pipe on 28 Forest St.; 13' of 6" PVC pipe on 106 So. Main St.; 8' of 8" PVC pipe on 106 So. Main St.; 26' of 15" PVC pipe on 106 So. Main St.

WATER DISTRIBUTION DIVISION

Bruce Matt, Manager

Robert Harvey, Foremen

Water Main Project, Baxter St., from Library to Park St.

Between July 1, 1991, and June 30, 1992, the Water Department installed 650± feet of new 6" ductile iron pipe and transferred approxi-

mately 19 residences from the older 4" iron pipe into the new 6" main in continuance of upgrading of the City's Water System.

Of the 32 water main breaks repaired two were on the larger 16" mains; So. Main St. City and a main supply from the City Reservoir which were repaired in a timely fashion.

FIRE HYDRANTS

The entire system was checked during the year, once to ensure ease of operation and flow conditions; and again during the winter months to check for water infiltration and possible freeze ups.

METERING

There are approximately 20,000 meters to be read during the year, with related customer complaints, repairs, etc. to be taken care of.

Many thanks to the Water Department Personnel that daily handle water related services for the City of Rutland.

Water Maintenance Specialists

James Lawrence

Kevin Schaner
William Franzoni
Heavy Equipment Operator

Rutland Recreation & Parks Department

John W. Cioffredi, Superintendent

To the Honorable City Council and Citizens of Rutland:

I respectfully submit our Annual Report of events and activities, sponsored by our Department for fiscal year ending June 30, 1992.

FACILITIES

Edwin W. Lawrence Recreation Center
86 Center St., Box 791 / Phone #773-1822.
Department Offices, Meeting Rooms, and Gymnasium.

Godnick Senior/Adult Center
Off Deer St. Phone #773-1853
Meeting Rooms, Craft Room, Meal Site.
Park Area: Shuffleboard Courts, Horseshoe Pits, Gazebo & Picnic Area.

Giorgetti Park
Located off Oak St. Extension
2 Basketball Courts, 2 Paddleball Cts., 1 Baseball Field, 1 Softball Field, Nature trails & Ice Skating Rink.

Monsignor Connor Park—Meadow St.
2 Lighted Basketball Courts, 3 Lighted Tennis courts, 1 Wading Pool, 2 Softball Field & Playground Apparatus.

John W. Cioffredi Park
Located off Temple Street
2 softball Fields.

White Memorial Park—Off Avenue B
Swimming & Wading Pools, Playground Apparatus, 1 Ball Field, 5 Tennis Courts, 2 Platform Tennis Courts & 2 Basketball Courts.

Rotary Park—Off North Street
4 Tennis Courts, Field House, Playground Equipment, 1 Basketball Court, Lighted Softball Field & two handball walls.
Lighted Race Trace.

Mini Parks—Designed for Tiny Tots
Locations:

Corner of River St. & Meadow St.
Corner of Madison & Prospect Sts.

Main St. Park—Main Street
Gazebo, Benches & Picnic Area.

Center St. Alley Park—Downtown
Waterfall, Benches & Picnic Area with Summer Concerts and Performances.

Depot Park—Downtown
Bench area and Farmer's Market location on Wednesdays & Saturdays during summer.

Alexander Keefe Memorial Park
Playground area w/ Climbing Structure

YOUTH ACTIVITIES FOR FALL & WINTER

Crafts:

Silhouettes/Marionettes	Ages 3-11
Workshop-Santa's Elves	Ages 6-11
Design Christmas Cards	Ages 3-11
Lets Decorate the Tree	Ages 3-11
Gingerbread Crafts	Grs. 4-6
Pottery	Grs. 1-6
Painting and Drawing	Grs. 4-6
Saturday Crafts	Ages 6-12
Mom & Me Crafts	Ages 3-5
Children's Play Group	Parent/child
Adventures of Tom Turkey	Ages 3-5
Gymnastics	Ages 5-13
Totnastics	Ages 3-5
Pre-School Gym Games	Ages 3-4
Fall soccer	Grs. 1-6
Indoor Soccer	Grs. 3-6
Flag Football	Grs. 5-8
Girl's Basketball Camp	Grs. 5-6
Boys's Basketball League	Grs. 5-6
Girl's Jr/Sr Basketball	Grs. 7-12
Boy's Jr/Sr Basketball	Grs. 7-12
Volleyball Club	Grs. 7-12
After School Program	Grs. 1-6
Junior High Dances	Grs. 7-8
S.A.T. Preparation	Grs. 9-12
Ice Skating Lessons	Ages 6-up
Recreational Ice Skating	All Ages

SPECIAL EVENTS

Programs Run in Conjunction with the Rutland Free Library at the Lawrence Recreation Center for ages 4 and up.

"MAGICIAN" STEVE FINER—Oct. 12

"MIME" ROBERT RIVEST—Nov. 9

BENNINGTON MARIONETTES—Dec. 21
 MUSICIAN JON GAILMOR—Jan. 11
 COMPOSER DAVID POLANSKY—Feb. 8
 STARBIRD PUPPET THEATRE—Mar. 14

HALLOWEEN EVENTS

Our "32nd Halloween Parade" was held October 31. Events included: A "Haunted House," Halloween party for grades K-4, Hobgoblin Hike, O'Lantern Contest and party at the Loyal Order of Moose Club. The parade was led off by "Queen" Melissa Parker of Otter Valley Union High who was chosen from area high schools, and ended with "Jack O'lantern" Sheriff Lee Jones.

CHRISTMAS EVENTS

Ice Cream Social with Mr. & Mrs Claus—for children age 3-5. Ice Cream was donated Ben & Jerry's.

"Santa Phone Calls"—Dec. 18 & 19. A direct line to the "North Pole"

"Letter's to Santa"—A special mailbox was placed in Depot Park for letters to go directly to the North Pole.

"Return of the Grinch that Stole Christmas"—Rudolph has been kidnapped ... help "Santa" rescue him from the grinch!!

ADULT ACTIVITIES FOR FALL & WINTER

Knitting Course - All levels
 Adult Volleyball Leagues
 Adult Open Gym Hours-RHS/Rec. Ctr.
 Rutland Community Chorus
 Aerobics—Combination Impact
 Step Aerobics
 Body Toning & Conditioning
 Great Shape
 Square Dancing
 Christmas Craft Workshop
 Holiday Decorating
 Arts & Crafts Projects
 Crafting through the Winter
 Broadway Singers of Rutland
 Ice Skating Lessons
 Art in the Park—October

ADULT CENTER PROGRAMS

The Rutland Recreation And Parks Department's Adult Center is an integral part of the

City of Rutland Community. Located off Deer Street, the Godnick Center offers a wide selection of programs, services and activities for the Adults and Senior Citizens of the community.

Recreation Programs Held At The Adult Center

Classes/Workshops

Painting Class—Beginning & Advanced
 Drawing Class
 Pottery
 Dried Flower Arranging
 Quilting
 Holiday Crafts
 Bread Making
 Country Crafters
 Table Tennis
 Pinochle/Bridge/Canasta
 Bridge Lessons
 Whist/Bingo
 Billiards
 Folk Dancing
 Ballroom Dancing
 Exercise Class

Christmas Shopping—Berkshire Mall
 Proctor's Theater—Christmas Show
 Proctor's Theater—New York City Ballet
 Coachlight Dinner Theater—Hurray for Hollywood
 Essex Junction Fairgrounds—Ethan Knickerbocker Arena—Disney on Ice
 Mt. Snow Resort
 Blue Mt. Lake, NY—Adirondack Museum
 Pennsylvania—Amish Tour
 Lake George—Boat Cruise and Luncheon

The Rutland Recreation and Park's Adult Center serves as a meal site for the Area Office of Aging, Nutrition Program. Meals are served Monday thru Thursday in the Recreation Room at the Center.

Spring and Summer Activities

Playgrounds and Sport Camps

White Swimming Pool

Opened for the Season Saturday, June 15, 1991. Lessons were offered in the following categories: Beginner, Advanced Beginner, Intermediate I and II, Advanced Swimmer, Basic Water Safety & Emergency Water Safety and Lifeguard Training. Three-3 week sessions of lessons were offered. The City Swim Team, under the direction of Tucker Gilman, competed throughout the State. "Family Fun in the Sun" nights were held June 27, July 11, 25 & August 8 featuring DJ's, hot dogs and soda ... for the entire family.

Playground Locations—Supervised 9 AM-Noon

Rotary Park
Msgr. Connor Park
Northeast School
White Park

Creative Playground—Ages 4-5

Madison St. Mini Park Two-2 week sessions

Safety City—Ages 4-5

A two week program designed to teach skills needed in real life situations.

Outdoor Adventure Day Camp

A mobile camp for grades 3 & 4, 5 & 6, 7 & 8 with hiking and exploring.

Pine Hill Day Camp—Grades 1 - 8

Held at Giorgetti Park. Four, "Special Theme" weeks. Held from 9 AM - 3 PM.

SPORTS PROGRAMS

Basketball Camps

Boys: Grades 7-12:	June 17-21
Boys: Grades 5-6:	June 24-28
Girls: Grades 7-12:	July 8-12
Girls: Grades 5-6:	July 1-5

Track Camp

Ages 6-9/10-12/13-14
A two week session at Vo-Tech track

Hershey: District Meet	July 13
State Meet:	July 20

Soccer Camp

Ages 7 - 9	June 24 - 28
------------	--------------

Ages 10-14

June 17 - 21

Held at Giorgetti Park

Baseball Programs

Mitey Mites Grades 1 - 4

Boys: Pee Wee's & Rookies

Girls: Pigtails & Ponytails

Midget League

Ages 10 - 12

Junior League

Ages 13 - 15

Senior League

Ages 15 - 17

Softball Leagues

Men's A,B,C & D

Women's A & B

Tennis Instruction

Tennis Camp 9 AM - Noon

June 17- 28: Ages 7 - 10

July 8 - 19: Ages 11 - 14

Adult Tennis Lessons, Beg./Int. Held Mon., & Wed. from 6-7 PM at Rotary Courts.

Night Radio Control Racing

Wednesday evenings, 7 PM at Rotary Park's Race Track.

SPECIAL EVENTS

Fishing Derby

Held at Combination Pond for ages 5-13.
Co-sponsored by the Kiwanis Club.

15th Annual Road Race—Sunday, June 2, Proctor to Rutland, 6.2 miles.

Family Performances: Center St. Alley—6:30 PM **The Bennington Puppets** present "The Firebird" July 30.

Jackie Davis performs "Whimsy" August 1.

Art in the Park August 10 and 11.

CONCERTS

Lunch with Music—Center St. Alley
Beginning June 18, Noon to 1 PM

Seven to Sunset Jazz—Main St. Park
Beginning June 19, 7 - 9 PM

Rutland City Band Concerts—Beginning June 16, from 7 - 9 PM

Vermont Symphony Summer Pops—
Tuesday, July 7, 7 PM at Giorgetti Park

CLUBS AND ORGANIZATIONS UTILIZING RECREATIONAL FACILITIES AND PARKS:

Senator Patrick Leahy, West Rutland Recreation Department, Alphabet House, Rotary Club of Rutland, Proctor Elementary School, Rutland Head Start, Rutland Public School System, West Rutland Elementary School, General Electric Company, Immaculate Heart of Mary, Ancient & Honorable Society For the Preservation of the Proper Play of Croquet in America, Rutland Herald, Christ the King School & Tennis Team, Stafford Technical Center, Wallingford Elementary School, Congressman Bernie Sanders, State of Vermont Agency of Natural Resources, Rutland County Farmers Market, Crisis Pregnancy Center, Inc., American Legion Post 31, West Rutland Carousel Playschool, The Inn at Rutland, Rutland County Humane Society, Cub Scout Pack 120, Rutland Partnership, Macleods Compass Rose, Riverside Florists, Danby Currier Memorial School, Lennox Quality Homes, Vermont Symphony Orchestra, United Way of Rutland County, Trinity Church, Saint Peter's Church, Wing Song Entertainment Service, Wellspring of Life, Crossroads Arts Council, Chaffee Art Center, First Night Rutland, Vermont Associates for Training & Development

RUTLAND SCHOOL DEPARTMENT

In accordance with Rutland City Board of Education Policies, a free appropriate public education for all handicapped children is guaranteed. If your child is handicapped, or you know of a handicapped school age child who is not currently being served, please contact the Pupil Personnel Office at 773-1917.

Department of Education

Dr. W. Richard Brothers, Superintendent of Schools

Dr. Michael Dick, President, Board of School Commissioners

To the Citizens of Rutland:

As your city schools open this September, we still face the three major problems we spoke about in this report a year ago: financing public education. We will continue to work on their solutions while continuing to promote quality education for the children of Rutland.

The best news this year is that the school district has a permit to build the new high school, thus addressing two of the problems identified above. This school, to be located at the Woodstock Avenue site, will be physically linked into and share space with the Stafford Technical Center. The combined schools will then become the Rutland Education Center, and, will project for the larger Rutland community an academic-technical training center of unparalleled potential for economic development in this region. For our city school district, the new high school will free the Library Avenue campus to house grades 5 thru 8 and the Longfellow Administrative Offices, creating the desperately needed space in the five elementary schools, which addresses the second problem mentioned in last year's report: increasing enrollments.

The Board and Administration has been carefully studying the various approaches towards constructing such a large project. It appears that a modern approach known as construction management substantially increases the Board's ability to build the school under budget and to award as much of the sub-contracting work as possible to local qualifying firms. The prospect of constructing a new school and begin the process of up-grading the city's school buildings while at the same time helping to stimulate the local economy presents a unique challenge to the School Board.

Allied with this good news are strategies aimed at improving the quality of teaching and learning in our schools. We will extend our participation in the state's portfolio process in measuring student achievement in mathematics and writing. Focusing primarily in grades 4 and 8 last year, we will be encouraging teachers in other grades to implement the same procedures, pointing towards the goal of extending these monitoring procedures from grades 1 through

12.

We are also very excited about a newly formed Instruction and Learning Council. This council, consisting of 25 individuals representing all segments of the city, will assist us in planning the appropriate bold changes necessary in our city schools to better prepare the young people of today for the challenges of the next century. These changes will probably focus on curriculum, instruction and new approaches to organize our schools. We are closely in tune to much of the National educational agenda and we feel confident this council will be a powerful force in moving our district forward. By combining the work of this council with the untiring efforts of our School Board Commissioners, teachers, and parents, we see the beginnings of an educational renaissance in the city's future with the building of a new high school linked to the Stafford Technical Center. The vision is one of excitement and challenge.

The third and last problem cited in last year's report was that of financing public education. It is now a larger concern than even last year, for we have built three school year budgets on the \$1.05 tax limit coupled with decreasing state aid each year. We have reduced expenditures everywhere possible in supplies and materials. We have reduced and streamlined staff in all areas of the budget. This year these combined impacts will become far more noticeable when school opens in all classrooms throughout the city.

Our concern is that without some kind of increased financial support for the next school year—1993–1994—the impacts will be so staggering that they are beyond our current imagination. According to all economic forecasts, there are no prospects for increased State Aid to education. Therefore, we will be proposing a City Charter change increase for school purposes. Approval of this change will give the Board some flexibility over the next five years for operating the city school system.

In closing, the Board and administration wish to assure city residents we are doing everything possible to maintain a system of quality education for our children.

Marble Valley Regional Transit District, "The Bus"

Lawrence A. Dreier, Administrator MVRTD

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

Marble Valley Regional Transit District (MVRTD), generally known as "The Bus" is entering into its 17th year of operation. MVRTD is the largest non-urban public transportation system in the State of Vermont and as such provides transportation to the general public in Rutland County, as well as to Social and Human Service Agencies, schools and area businesses. MVRTD increases self-sufficiency for the elderly and disabled and is vital for those who need transportation or are committed to the environmental benefits of public transit use. MVRTD has become a valued asset to the communities it serves. System ridership has increased noticeably over the years with many rides furnished to special needs people. Approximately 305,000 vehicle miles accumulated annually on the fleet of 23 general transit buses, most of which are lift equipped.

FY 92 was filled with accomplishment and growth for MVRTD with its successful completion of facility renovations. The Federal grant which allowed MVRTD to complete its facility expansion program, also made possible increased administrative capabilities, a completely modernized maintenance facility and the purchase of three buses. MVRTD has instituted a number of new activities including the Rutland County

operation of Vermont Rideshare and ADA complementary paratransit. Financing these major projects has been accomplished through the generation of grants obtained from the State and Federal Governments. Through efficient management and a trained professional staff of 25 employees and over 60 volunteers, MVRTD continues to reduce costs to the taxpayer. MVRTD's free fixed route ride days, offered on the third day of each month, have been expanded to include all member towns.

During fiscal year 1992, MVRTD fostered its dedication to providing the most effective responsive service by working closely with consultants from Pacific Transit Management in examining and restructuring its fixed route system and services to ensure that the transportation needs of Rutland County residents are being met as fully and efficiently as possible.

Marble Valley Regional Transit District is actively working with area regional planners, developers, and legislative members to coordinate transportation needs in Rutland County as well as throughout the state. In efforts to further expand coordination efforts state-wide MVRTD plays a key leadership role as Chairman of the Vermont Public Transportation Association. In that role MVRTD facilitated grants state-wide in excess of 3.5

million dollars.

MVRTD's free transportation service to the Medicaid and Reach-Up eligible has increased from last year's 21,000 rides to over 25,000 rides this year, maintaining our status as the second largest Medicaid transportation provider in the State of Vermont.

In times of uncertain and expensive energy

supplies, environmental issues, traffic congestion, and high costs of road construction, public transit is becoming increasingly valuable. We appreciate the financial and moral support of the elected officials and taxpayers of our municipalities that guarantee Marble Valley Regional Transit District's continuance.

Rutland Free Library Association, Inc.

Paula J. Baker, Director

To the Honorable Board of Aldermen, Mayor and Citizens:

A public library is only healthy and valuable if it is used by its community and likewise, the vitality of a community can be measured by the use of its libraries. This symbiotic relationship is at the heart of what it means to be a public service agency, and it is the heavy use of the Rutland Free Library that bodes well for the community at large. While the rest of the nation's libraries are pointing to record increases of 6% the increase in business at Rutland Free Library was a whopping 14%. This occurred with no increase in population. Why, then, is Rutland bounding ahead? There are three reasons that account for a good part of this phenomenal growth.

First, consistent financial support from Rutland City, Rutland Town and Mendon means that careful planning can keep the library on track during tough times. A full 70% of the library's operating, program and book funds come from taxes in these three supportive communities. Without such backing the library would not begin to be able to be open 61 hours a week, staffed with professional and seasoned staff, nor offer the deep book collection and wide program selections it does.

Second, a strong commitment to improving services on the part of the staff, the Board of Trustees and Friends of the Library continued to thrust the library forward. This past year we added a health information program of free pamphlets in cooperation with the Rutland Regional Medical Center, finished our five year plan, began refining our outreach towards the physically challenged, offered 187 library programs plus space for an additional 225 community sponsored programs for 11,645 people, and installed a computerized information searching service for magazine and newspaper articles. We also co-sponsored special events with the Chaffee, the arts consortium, the city's Recreation Department, the Italian

Aid Society, the Vermont Symphony, and the Rutland Historical Society.

Third, community pride in the region's largest (plus the state's busiest) library and a sense of personal ownership have contributed in significant ways to the operation and activities of the library. Over 44 volunteers have given the equivalent of a year and a quarter of fulltime work; we have received furniture and professional signage from local institutions; and, in the midst of this recession the trustees and Friends of the Library were able to raise \$74,139 of local money towards the final cost of \$171,394 (the balance was attained through grants, a city gift, and federal funding) for computerizing the library and installing a book theft protection system. These local funds have come from generous gifts from Rutland City Rotary and Rutland South Rotary.

In the coming year a completely integrated automation system will be installed in phases, permitting library users to see all the library's holdings on a topic without having to know the right word, allowing users to see the holdings of UVM, Middlebury College, the state colleges and the state library with one keystroke making it possible for readers to place a hold on needed material and query the system (with personal codes) to see what they still have checked out. Beyond that initial phase the library has plans to offer dial-up capability to home computers along with connections to CD-rom information products which provide twice the information in half the time. A theft detection system will also be installed this coming year to ensure that books belonging to the whole community stay with the whole community.

The partnership of individuals, governments, businesses and boards has enabled the Rutland Free Library to be what all libraries strive for—vital and viable.

Rutland Historical Society

Eleanor J. Elwert, President

To the Citizens of the City of Rutland:

In July 1991 work on the restoration of Fire Station No. 2 was proceeding with most of the basement, first floor and systems installation accomplished. Detail work outside as well as inside slowly began to produce a finished appearance. We have received numerous compliments on the appearance of the building and especially for our handsome mahogany front doors. Our quick, informal solution for landscaping was also popular.

In October we learned that the upstairs would have to be gutted due to the condition of the plaster. By the end of the year the second floor was done including total refinishing of the original maple floor. It was fit to be the site of a Grand Ball for a week. Then everything from the first floor, shelving, document boxes, furniture, and artifacts, had to be moved upstairs. Again our valuable volunteer helpers pitched in. They had already, by the very end of December 1991, moved our collections from various repositories to our new quarters, stacking most of it in the basement and on the first floor.

A thank you is really inadequate acknowledgment of our appreciation for allowing use of their facilities for storage for over three years. The following have been most generous and patient: the Rutland County Assistant Judges for use of third floor space in the Court House, Byron and Roxie Hathaway for one half of the space in their biggest barn, to Jim Davidson, Dawn Hance, Fred and Eleanor Elwert, John and Anne Glagola and Mike and Joanna Seward for garage space. Additional thanks to Herb Ogden and the firm of Harlow, Llicardi and Crawford PC for allowing the use of their basement to store bound volumes of newspapers.

Don Marquard designed and very efficiently made racks in the basement to store these volumes, giving us more usable space.

Our publications continued on course thanks to the fine direction of the Publications

Chairman, Mrs. Jean C. Ross. Our Second book in two years, "The History of Rutland, Vermont, 1761-1861" by Dawn D. Hance came out in October and was purchased by individuals, libraries and historical societies all over the country. It and the earlier volume, "The History of the Early Families of Rutland Vermont" are available at \$40 and \$35 respectively, plus postage. Both books were included in the Award of Merit for Excellence in History given by the Vermont Historical Society at the Annual Meeting of the League of Local Historical Societies May 2nd in St. Albans.

The first board meeting in our, at that time, incomplete building was held October 8, 1991. The Annual Meeting was held at the General Electric Credit Union building October 20th. In recognition of the start of World War II the speaker was Brigadier General (ret.) Leonard F. Wing, Jr. who gave an account of his father's, Major General Leonard F. Wing, service in the Pacific theater.

Our Loyalty Day float in May depicted typical events in Rutland over the past 100 years in celebration of Rutland's Centennial as a city. A picture of the float was featured across the front page of the Rutland Herald the next day. Board member Joanna Seward planned and executed the whole thing.

Finances have held up very well over the year with astute investing by the treasurer, Thomas Carpenter. Our continued thanks also to the Parks and Recreation Department and the Superintendent, John W. Cioffredi, for their continued helpfulness.

As members of the Vermont Museum and Gallery Alliance (VMGA) we have been able to make use of the services of Michelle Pietryka Pagan, the new collections management consultant. It has taken much longer than expected to rearrange and store our collection and to plan an exhibit. With her help it should happen sooner, the grand opening date has not yet been set however.

Regional Ambulance Service, Inc.

Amelia Taylor, President, Board of Directors

Aldo Manfredi, City of Rutland Representative

To the Honorable Citizens of the City of Rutland, VT:

We are pleased to present our annual report to the Citizens of the City of Rutland. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service since 1983. During our ninth year, ending June 30, 1992, the service responded to a total of 4,321 ambulance calls and an additional 1660 paramedic intercept calls. Regional Ambulance Service, Inc. is the largest ambulance service in the state of Vermont.

With the continued support of the citizens, our employees and community governing bodies, we were again able to provide our eighth consecutive year of service using the same assessment rate without change. We extend our appreciation to everyone for their support.

Pride, Proficiency, and Professionalism are standards our staff has continuously demonstrated. The Paramedic program has grown and developed into a very stable and reliable program. We now have 6 full time and 7 part time Paramedics on staff. The ongoing advanced life support training keeps our staff updated on current emergency pre-hospital treatment. Our

professional staff is extremely capable and dedicated and we commend them for living up to and exceeding the required standards.

Our Building is staffed 24 hours a day to allow for immediate response. In addition to medical duties and training the staff maintains our building, grounds and equipment for a considerable savings.

During the year an older ambulance box was remounted on a new chassis, pictured above, and a new Live Pak 10 Defibrillator purchased.

The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Aldo Manfredi, if you have any question concerning the service.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Rutland Area Visiting Nurse Association, Inc.

Ronald J. Cioffi, Executive Director

To the Honorable Mayor, Board of Aldermen and Citizens of Rutland City:

On behalf of the Board of Directors and Staff of the Rutland Area Visiting Nurse Association I am pleased to present our annual report to the Citizens of Rutland City. Since 1946 it has been our privilege to provide the Rutland Community with needed home health care services with the goal of helping people to get well, stay well and to remain independent and at home for as long as possible.

The past 12 months have been a significant and exciting time for the RAVNA. We are now the proud owners of a new building on Seven Albert Cree Drive in Rutland and have been fortunate to have had the cooperation and support of Comprehensive Health Resources, Inc. in making this dream a reality. Their property lease allows us the opportunity to become a part of the Rutland Regional Medical Center campus, thereby improving the coordination of services for people being discharged from the hospital. In March the citizens of the city welcomed us back by voting to make our facility exempt from property taxes, a measure which will enable us to channel significant resources back into our programs. We are grateful for this vote of confidence and support above and beyond our regular allocation.

The home care industry has experienced

dramatic growth during the 1990s with RAVNA being no exception. During the past year agency services have grown by 23% over 1990-91. Service to Rutland City residents have increased from 730 unduplicated patients to 904, with the following total city visit counts by program, for the year ending June 30, 1992.

Skilled Nursing	9972 Visits
Physical Therapy	1489 Visits
Speech Therapy	228 Visits
Occupational Therapy	122 Visits
Home Health Aide	16,909 Visits
Homemaker	5175 Visits

Our agency is continuing to explore new initiatives and opportunities which will enhance the services we offer to the area's elderly and young alike. The issues of long term care are becoming increasingly critical. As our population ages we are called on to deal, more and more, with chronic intensive care demands. On another front, we are experiencing an increased need for pediatric home care services. Our challenge has been, and will continue to be, that of meeting these needs with consistent high quality programs that are both competitive and cost-effective.

The agency's high-tech team, established in 1989, has helped to position RAVNA to meet and satisfy the demand for acute, home

based care. Hospice Medicare Certification which was completed in March of 1992, will allow us to provide expanded, more comprehensive services to terminally ill patients wishing to stay at home.

RAVNA has taken a pro-active stance to the health and well-being of the population through its continued sponsorship of community based wellness and education programs. During the past year parenting and childbirth education classes, senior clinics, school and worksite programs, community screenings and fitness events continued to grow in popularity with over 10,000 individuals participating county-wide.

Finally, it was with heart felt gratitude and respect that we said goodbye to our retiring director, Evelyn Doyle. In recognition of her

accomplishments and twenty-five years of loyal service to the community, July 1, 1992 was proclaimed Evelyn P. Doyle Day in the City of Rutland and our new building was renamed the "Evelyn P. Doyle Visiting Nurse Association Center." Evelyn will be missed by all who had the pleasure to work with her.

The Rutland Area Visiting Nurse Association is committed to offering needed home care services regardless of individual ability to pay. It is only through volunteer support, city and town allocations, United Way Funding and individual donations that we are able to achieve our mission. As always, we are grateful to all of you who have supported our forty-five year tradition of caring. The Board of Directors and the entire staff wish to say, "Thank-you!"

Cemetery Commissioners' Report

Dawn D. Hance, Chairperson

To the Honorable City Council and Citizens of the City of Rutland:

Last summer the head of the Vermont Old Cemetery Association wrote a letter complimenting the City of Rutland for restoring its old cemeteries. He was especially impressed with the improvements made at West Street Cemetery, which had been in deplorable condition for years. It is nice to know that someone has noticed and appreciated the efforts made in preserving these sites.

This year the city awarded the mowing contract to Lawn Care Plus at a cost of \$1,816.75. Unfortunately, the company's owner, Chris Pearson, was killed in a motor vehicle accident this spring. However, his firm has continued to maintain the cemeteries this summer. The cemetery commission would like to offer its sincere condolences to the Pearson family and to express its appreciation for a job well done under extremely difficult circumstances.

In 1991 the Rutland Veterans' Council decided to clean up the area of Evergreen Cemetery where twenty-three Civil War soldiers are buried. It planned to replace the gravestones with new marble headstones. Since removal of the original headstones met with some disapproval the council reconsidered the project. The decision was made to clean the original stones, fence the area and erect a monument and flagpole as a lasting memorial.

On 25 May 1992, Memorial Day, dedication ceremonies were held at the cemetery under the auspices of the council. Music by the Rutland High School Band, prayers, speeches,

taps and a guard dressed in Civil War uniform made it a very impressive occasion.

The veterans' council recently has donated a number of makeshift flag holders which will be placed in West Street Cemetery. Many of the original holders have been stolen and are costly to replace. Thanks to the council flags will fly once again over the graves of these veterans.

This spring woodchucks unearthed a jawbone and coffin handle at the city landfill. This property was formerly the site of the Poor Farm. Upon investigation City Treasurer Ron Graves found burials were made at the Poor Farm Cemetery beginning in 1893. These burials included people who died at the farm as well as others who could not afford a cemetery plot. The list includes a number of children.

Mayor Wennberg has agreed to clean up and fence the area so that it will not be disturbed in the future. However, the exact boundaries are unknown. If anyone has information on this cemetery please call Dawn Hance at 775-4406.

When Rutland was chartered in 1761 it included the lands of Proctor, Rutland City, Rutland Town and West Rutland. All of the cemeteries in these towns seem to be in good repair with the exception of Whipple Hollow Cemetery in West Rutland, which has become overgrown over the years. This cemetery was in use as early as 1789 in connection with the Orange Society Church which stood nearby. Hopefully some civic group will sponsor its restoration.

Council on Aging, RSVP, One-2-One and InterAge

John G. Campbell, Office on Aging, Executive Director

Anne Rowe, RSVP Director

Maria Fish, One-2-One Director

InterAge, Marlee Mihevc, Director

To the Citizens of Rutland:

The **Southwestern Vermont Council on Aging**, which is located in the Bardwell House, is the regional provider of meals and senior advocate services. A total of 36,019 meals were delivered to homebound elders in the City by staff and volunteers. Another 9,951 meals were provided at three locations within the City: The Bardwell House, Sheldon Towers, and the Senior Center on Deer Street.

Senior advocates provided assistance to 333 City residents with benefits applications, problem resolution and linkages with a variety of community services and programs. They provide personalized help to elders in need of program information, application assistance or linkage with other service providers. By appointment, Advocates visit with elders in their own homes, at community luncheon sites, or in our office. Advocates listen to the elders they serve to help assess the problems they have and to work with them for solutions.

The Council on Aging area also provides the services of a long-term care ombudsman who assists residents of nursing homes and residential care homes; legal services through the Senior Citizens Law Project (VT Legal Aid) and information and referral.

For more information call 775-3223.

The **Retired Senior Volunteer Program** (RSVP) is a nationwide program for people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations. RSVP offers unlimited opportunities for Rutland seniors based on their abilities and willingness to serve. RSVP volunteers currently serve as receptionists, tutors, library aides, office workers, musicians, hospital workers, guardians ad litem etc., in senior centers, schools, nutrition sites, courts, libraries, hospital, nursing homes and a wide range of other organizations. RSVP

volunteers serve without compensation but may be reimbursed for, or provided with transportation if there is a real need. All RSVP volunteers are covered by appropriate accident and liability insurance while they are volunteering.

Every community in America faces the continuing challenge of providing much needed services with limited resources. One of the best ways of meeting these challenges is through RSVP. RSVP is the largest program of coordinated volunteer service in the area. For over 19 years, the people of Rutland County have benefited from the wisdom and experience of the 473 active volunteers of RSVP (over half of which live and volunteer in Rutland City). In 1991, slightly over 60,600 hours were donated by RSVP volunteers. If these hours were multiplied by minimum wage (\$4.25) the benefits would translate into approximately \$257,000 given back in the form of service to our community. RSVP is available to any senior citizen 60 and over who is retired. We encourage and invite you to call the office at 775-8220 if you are interested in volunteering or if you would like additional information. Our office is located at 71B Williams Street (in the basement of the United Methodist Church). We thank the voters of the City of Rutland for the support you have shown RSVP over the years and we pledge our continued efforts to be of service to you.

The **One-2-One Program** serves the elder population of Rutland County. A group of dedicated volunteers provides essential transportation, telephone reassurance, and friendly visiting to those more frail and isolated individuals needing this type of support, to remain independent in their own homes.

Referrals come through physicians, nurses, discharge planners, social workers, mental health workers, senior advocates, elders themselves, or concerned family and neighbors.

During the past year over 6000 telephone contacts, 400 friendly visits and 3350 trips were provided.

One-2-One continues to grow as our elder population becomes more aware of our services.

For information call 775-8219 or 775-4318.

One-2-One is part of Rutland Community Programs Inc.

InterAge—Rutland Adults Day Project, is a program designed to serve physically disabled adults and the elder population of Rutland County. InterAge provides a caring, supportive and stimulating environment for participants, helps reduce or avoid isolation

and allows for day time respite for families and other caregivers.

During the past year, InterAge has grown at a steady pace, offering services to 22 individuals. (18 Rutland City residents and 4 from outlying communities.)

Thanks to the City of Rutland and the United Way, InterAge was able to expand its days of operation from 2 to 3 days each week. This has allowed us to better meet the need for Adult Day Services in our community.

InterAge, which is housed at Stafford Technical Center, is open each Tuesday, Wednesday and Thursday from 9am–3pm.

For additional information call, 775-2381.

Rutland Redevelopment Authority

Matthew T. Sternberg, Executive Director

Nannette J. Mattsson, Administrative Assistant

The second year of operation for the Rutland Redevelopment Authority has been an exciting one. As the City celebrates its Centennial, it is also at the threshold of a new and exciting era. As everyone reminisces about Rutland's past as a major retail community, railway hub, what do they say about the future? The Wennberg administration marks the first time in recent history when the private sector and City government have worked so closely to secure a bright future for Rutland. Preparations are underway to begin projects that were only spoken about in the past. The recession that has hit New England so hard could not completely stop the momentum that began here four years ago. Renovations for the Rutland Shopping Plaza by the owner, NET Properties Management are scheduled for early '93. The State is seriously looking at the Hulett Building for its new office complex, thus utilizing an existing structure in Rutland's downtown core that has been idle for a long time. These mark the first steps to our future.

The Rutland Redevelopment Authority and

their "contracted" right arm, The Rutland Partnership, are the major ingredients necessary for Rutland City to make the transition to the next century. Vermont is one of thirty-eight states in the country with legislation to create redevelopment authorities and take their future into their own hands. Rutland Redevelopment Authority is the first such agency in the State and it's a mechanism that has been used for years around the country.

The Rutland Partnership has done an outstanding job managing the Special Benefits District in its second year of contracted services. This past June marked the first Ethnic Festival in which over 6,000 people visited downtown Rutland. The Parking Deck in the Plaza was the site and we look forward to many more in the years to come. Rutland's population possesses many ethnic backgrounds and this event was the perfect avenue to showcase our rich heritage. The Ethnic Festival was co-sponsored by the City Centennial Committee, the Rutland Area Cultural Alliance and Price Chopper Supermarkets. A community effort such as this is how we want Rutland to work—on all levels.

Employees of City of Rutland, Vermont

Earnings Over \$300.00

From July 1, 1991 to June 30, 1992

If not stated separately, any applicable overtime is included in total earnings.

List of Unpaid Taxes as of 6/30/92

The list of unpaid taxes is as it appears on the records of the City of Rutland as of 6/30/92 pursuant to 1 V.S.A. Chapter 5 Subchapter 3.

Persons listed are the owner(s) of record as of 4/1 of the year preceding the tax year shown. Subsequent to the date are taxes that are delinquent. The City realizes that transfers may have occurred subsequent to 4/1

and that taxes became due and delinquent and such listed individuals may not be responsible for the amounts indicated.

Amounts shown are taxes only exclusive of interest & penalties.

Legend:

P—payments being made.

*—Paid after 6/30/92
